<u>Report</u>

On 6th Nov, 2022, a webinar on computer applications and counselling session was organized as part of Add-On course on communication skill and personality development being run by Economics department BSNVPG College. The expert for this session was ITLS Academy which conducts online and offline courses of computer applications and also arrange for the student's placement. It is running since 2008. The director of the Academy Er. Abhishek kushwaha delivered the lecture and the coordinator was Mr. Akash Kumar. The lecture was an informative one. It informed the students about the various fields where computer application has a potential of gaining employment, like Digital marketing, Web designing, data entry, accountancy and so on. Then the speaker informed the students as to how they can build up their CV in such a manner that it gets strength to gain job. Prof. Gunjan Pandey, Coordinator of the Add-On course welcomed and thanked the speaker and ITLS academy for interacting with their students.
