## **Gearing Up For Changing Nature Of Education, Employment And Skills**

A Career counselling Orientation session on the topic "Gearing up for changing nature of Education, Employment and Skills" was organised on 6th October 2023 by the Department of English (BSNV PG College). In this session 55 students of B.A. from various semesters participated.

The expert from University Employment, information and guidance Bureau, University of Lucknow, Mr. Himanshu Singh, discussed the value of Open AI and ChatGPT with the students that how it will impact their past present and future.

The purpose of the session was to acquaint the students about the emerging trends of AI based fourth generation revolution in the field of Education and employment. To motivate them also to change their mode of learning by adopting new technological practices.

The session was concluded successfully with the wishes for students' future by the expert of the event.

The event was concluded by head of the department of English, Professor Jyoti kala. This was valuable session.
